

# Legal Packages for Businesses

## Business per Te

**Business per Te** is a set of pre-packaged legal services aimed at growing Minnesota businesses. All packages have the same objective: to get businesses accustomed to budgeting for an attorney and to cultivate a pro-active approach to law. You will no longer wait for a problem to appear before contacting an attorney, but take steps to prevent one from happening.

### Comparing the Business Packages:

## Package 1 IL BASICO

Cost: \$199/month

### Includes:

- 1 hour of phone advice per month\*
- Legal Audit/Assessment at beginning of services
- 12-month follow-up Legal Audit
- 1 agreement drafted or reviewed, such as:
  - » Non-disclosure agreement
  - » Non-compete agreement
  - » Independent contractor agreement
  - » Employment agreement
  - » Lease agreement
- 5% discount on other legal services for one year

\* the consultations with attorney do not include work to be done, such as drafting an agreement, which the client and attorney may discuss during the consultation. Such work would be discounted according to the package that client has purchased and would be done on either an hourly or fixed-fee rate.
